Building Ringette Skills and Friendships through FUN!!

Our philosophy is to build skills through progressive based teaching and offering a positive and encouraging learning environment. Advanced Ice skills 2011 Summer camp On Ice Curriculum is designed with age specific skill development in mind. The camp Skill sessions are designed to improve the participant's game abilities by improving all skating and game specific skills.

The best way to teach children and to improve their skills is to make the programs FUN! Our program is designed to keep the participants involved and interested by offering drills and games that use the skills taught but are fun and enjoyable for the participants. The On-Ice Curriculum is developed specifically for females by females with years of both playing and coaching Ringette. Join us this summer for our Second Annual Advanced Ice Skills Ringette Summer Camp!! This camp is Hosted by Coquitlam-Moody Ringette you must be a registered with your local association to be eligible for this camp. Full Equipment is required including certified Ringette Masks.

Please note groups are based on age groups played in 2010 season and groups will be subdivided on ice based on age and /or skill level.

U10-Bunny/Novice- 6:00pm -7:00pm. This camp will improve players skating and Ringette skills through a series of Fun games and Drills that will keep them interested and having fun. All skill levels are welcome but players must be able to stand and move independently.

U14- Petite/Tween- 7:-15pm-8:15pm. This camp will focus on improving Ringette and skating skills as well as individual endurance. We will expose participants to new and more complicated drills and skills. The curriculum is designed to prepare participants for evaluation sessions they will face in upcoming months for House and /or B.C. Winter Games. ALL SKILL LEVELS ARE WELCOME!!

Goalies wanted! Please let us know if your child is interested in playing goalie, we may be able to supple goalie equipment. Goalies with own equipment will eligible for a reduced registration fee.

UPDATED May12/2011- This year's camp has changed to August 8, 9, 10, 11 and 12 due to ice availability. We are now confirmed and there will be no further changes.
